Welcome

Brookdale Lodge is a historic, beautiful home away from home hidden in the California redwoods. At one point even hosting some of Hollywood's most legendary elite: Marilyn Monroe, James Dean, John Wayne, Mae West, Shirley Temple and President Hoover, not to mention famed mobster Al Capone, just to name a few! At over 133 years old these grounds are rich with history as are many of our guests who return to stay with us and delight us with stories of past visits from decades ago.

We are so glad you are considering us to host you and/or your guests for your upcoming special event and we welcome any questions you might have that are not covered in the pages that follow. Our front desk staff are well educated on the property and its history and are here for you from 8am-10pm daily!

WHERE HISTORY MEETS HOSPITALITY

We look forward to helping you make your event the most memorable and joyous experience it can possibly be!

How Room blocks Works

Initial Room Block & Courtesy Agreement :

Once you have your event dates, we will research the best rates and create a courtesy agreement for you.

All courtesy agreements begin with an initial block of 11 rooms:

5 King Rooms (one king-sized bed)

5 Double Rooms (two full-sized beds)

1 Bridal Suite (included at the king room rate, if applicable)

Expanding Your Block & Release Date

As your initial block fills up, we will automatically add rooms in increments of five.

One month before your event's check-in date, any unreserved rooms in your block will be released back to general inventory.

After this date, rooms are available on a first-come, first-served basis to the general public, and your wedding group rate is no longer guaranteed.

Booking Process for Guests

Guests must call the hotel directly and mention your wedding party name to book within the block.

A valid credit card is required at the time of booking to hold the reservation. The card will not be charged until the morning of arrival.

The same credit card and a valid ID must be presented at check-in.

Deposits & Payments:

At check-in, a \$100 incidental deposit is required. This hold will be released at check-out, though it may take a guest's bank 3-5 business days to process the release.

Important Policies for Larger Groups:

Our property has 46 operational rooms.

If you wish to block more than 11 rooms immediately, a deposit for one night's room and tax will be required.

For blocks larger than 11 rooms, an 80% attrition clause applies, making the group booking party responsible for ensuring that number of rooms are paid for.

Price Guarantee

Your wedding block comes with a lowest price guarantee

The quoted rate is the maximum your guests will pay per night. If our public rate is lower at the time of booking or check-in, they will receive the lower rate.

This policy discourages booking through third-party sites, which are often non-refundable and may result in guests being separated from the wedding party.

Check-In & Check-Out Times:

Standard Check-In: 4:00 PM. While we try to accommodate early arrivals, it is not guaranteed. For guaranteed early room access, we recommend booking the room for the previous night.

Standard Check-Out: 11:00 AM. Limited late check-outs may be available until 12:00 PM upon request.

Late Check-Out Fees:

After 12:00 PM: \$35 charge

After 2:00 PM: Charge for a full additional night

Shuttle Service:

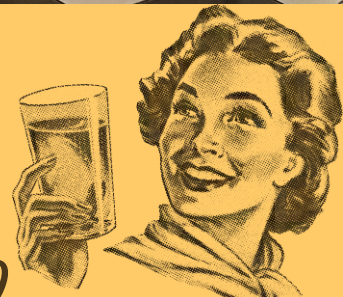

The hotel does not provide shuttle service.

Shuttle arrangements are typically handled by your wedding venue. We recommend you share the shuttle schedule with us, as guests often ask the hotel for this information.
